

6 WAYS TO UTILIZE

1

Are you implementing a lesson using technology?

Invite me to observe. I would love to see what you and your students are doing.

Don't feel comfortable using the SMARTBoard, Document Camera, or another piece of technology?

I can model a lesson for you or co-teach the lesson with you!

2

Need to know how to use a new program or website?

I can help. I can provide one-on-one training or small group training based on YOUR needs.

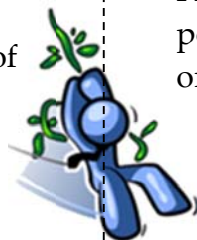

Want to learn how to locate appropriate technology resources and use them with your students?

Let's plan! You can email me to set up a planning time during your resource, before or after school.

3

Are you looking to improve scores in content areas?

Let's look at your data together and design technology integrated lessons that address those areas of concern.
